## Financial Guidelines

To Our Patients:

We welcome and appreciate the opportunity to provide for your family's dental needs. We do our best to provide you with superior dental care.

For those patients who are covered by insurance, we will accept assignment of benefits. We will estimate as closely as possible what your insurance will cover but, plans do differ in coverage. We will collect estimated co-payments on the day services are rendered. It is ultimately your responsibility to be aware of your own dental plan and provide us with as much information as possible, in order to better assist you in dealing with your insurance company. After 60 days, the balance will be due in full from you. A finance charge will be added to these charges after 45 days.

Patients without insurance are expected to pay by check, credit card or cash the day services are rendered.

For your convenience, we do offer information on financing your dental needs from 6 months to 5 years.

\*We make every effort to provide service in a timely manner. We understand that your time is valuable and want your dental visit to be as convenient as possible. **WE REQUIRE A 48 HOUR/2 BUSINESS DAY CANCELLATION NOTICE FOR ALL APPOINTMENTS.**

\*We will collect a non-refundable deposit before scheduling treatment over \$1000.00 to hold your appointment time for you. Also, if it becomes apparent that you have difficulty keeping your scheduled appointments, we will collect a deposit.
